Speakers: **Adriana Linares** is a legal technology consultant with her company, LawTech Partners. Using her practical and personal approach to technology she helps legal professionals use technology to maximize skills and investments through training and consulting. She served as Chair of ABA TECHSHOW 2017; works as a technology consultant to the Florida Bar Board of Governors and the Member Technology Officer of the San Diego County Bar Association. Listen to Adriana as she hosts monthly episodes of the New Solo podcast on the Legal Talk Network.

Renée Thompson is an active leader in The Florida Bar, and has received the President's Award of Merit twice while serving on the Board of Governors in her capacity as the Fifth Circuit Representative. She serves on the Executive Committee and as the Budget Chair. Renée has long had an interest in alternative dispute resolution and mediates civil disputes in both state and federal court with the firm of Upchurch, Watson, White & Max Mediation Group. She also teaches as an adjunct professor at the University of Florida School of Law in the area of Practice Management and Technology. You can follow Renee on Twitter @legallyrenee.
