Description/Agenda (Please include a brief description/agenda for your event)	Event: Bias Towards Women in the Legal Profession According to the 2019 United States Census Bureau report, women only make up 38% of the legal profession. Further, women only make up 22% of firmwide managing partners and only 20% of office-level managing partners.¹ The purpose of this event would be to highlight the challenges women encounter in the legal profession and how we can overcome them as we enter the workforce. As a part of this event, we will invite 2 female attorneys and 2 male attorneys to participate in a panel where we discuss the issues women face in the legal profession and how each of them work to address the issue. At the end of the panel, we will provide students with an opportunity to ask the panel specific questions they may have. Budget: Food: \$300 Gifts for Guest Speakers: \$50
Describe How You Will Recognize The Florida Bar Young Lawyers Division for its Support of Your Event:	We would include their name in the flyer as supporters of the event and reach out to The Florida Bar YLD members for potential guest speakers.
