| <b>Description/Agenda (Please include a brief description/agenda for your event)</b>                         | <p>The Young Lawyers Division (YLD) will partner with the Multicultural Law Student Association (MLSA) and Themis Bar Review to provide a speaker series discussing diversity, inclusion, and equality in the legal profession and law student community. Each student that signs up to be a member of the MLSA and the YLD and attends the event will receive a discount on a Themis bar prep course. This event will take place over Zoom, so no food/beverages will be provided.</p> <p>This event will increase awareness and promote inclusion and equality within our legal community that students will take with them into their legal careers. Additionally, this event will promote and encourage students to become involved in MLSA, which puts on these events for their members; thus, our students will continue to learn about the importance of diversity and equality throughout their law school career. In addition, bar prep courses are extremely expensive, so this grant will help us promote multicultural awareness along with equality of finances for all. This grant will give an opportunity for those student who wouldn't have taken a bar prep course at all due to lack of funds.</p> |
| <b>Describe How You Will Recognize The Florida Bar Young Lawyers Division for its Support of Your Event:</b> | Before the speaker series begins, we will recognize The Florida Young Lawyers Division for sponsoring this event in our introduction. And finally, we will use the hashtag, #YLDIsMe, on all social media posts regarding this event so that the YLD will be recognized as a sponsor.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
