**Event  
Description:**

This event will be an event where YLD members can help F.E.L.T pack meals for children.

Feeding Empty Little Tummies is a unique program designed to help end child hunger in our local community. It was founded in 2010 to feed homeless children on weekends, a time when these children often go hungry.

Today, F.E.L.T. is the only backpack program in Manatee County that provides proper fresh nutritious food to over 800 children weekly.

Members will come together at specific time to help pack meals for children while hearing from one of our Dependency or Family judges who will speak about the importance of organizations that help children in the dependency process.
