**Event
Description:**

The Palm Beach County Bar Association YLS is excited to host a spring training game event to promote health and wellness and to facilitate interaction between YLS members and the judiciary. The YLS will invite YLS members and members of the local judiciary to come together to watch a spring training game between the Florida Marlins and the Washington Nationals at the Roger Dean Stadium in Palm Beach County. The YLS will be renting out the "Cool Zone" which is an open, outdoor space that will be properly limited in attendance to ensure that necessary social distancing is maintained. Masks will of course be required when interacting with anyone outside the attendees' household. This will be the YLS' first in person event since the start of COVID and will allow for some safe and well deserved personal interaction with fellow YLS members and the local judiciary.

While YLS members will be asked to purchase tickets at a reduced price, we want to offer tickets to the local judiciary free of charge to thank them for their continued efforts throughout the "zoom age," to allow them to meet the new YLS members, and to provide them with a much needed outdoor outlet and stress-free time. At the event, the attendees will be able to mingle while watching an exciting baseball game and eating everyone's favorite ballpark bites including hotdogs, hamburgers, and chips. While being able to pivot to virtual hearings and events has been invaluable during this past year, we also recognize how important it is for members to be able to have that face time with Judges as well as other YLS members to truly maximize their practice and their relationship with the legal profession. The YLS is excited to be able to host this event safely and to provide this greatly needed social interaction for its members.

**Will alcohol
be served at
the event?:**

Yes

Will any monies received from the YLD be used to purchase alcohol, travel expenses, or attorney house?:

No

How will the YLD funds be utilized?:

The YLD funds will be used to subsidize the cost of entry and food for each of the Judges in attendance so that they will be able to attend the event free of charge.

How does your event fit into the parameters of the Grant?:

This event is meant to reignite the strong and valuable relationships between the YLS section members and the local judiciary. As we all know, maintaining those professional relationships via electronic means has been difficult during COVID. This will be our first in person event since March 2020 and will allow the YLS attendees and Judges to begin to have that face time again - outside with masks and at a safe distance - and for new members of our YLS section to meet the Judges in person for the first time. The event also has a Health and Wellness component as it will allow members to get some much needed time outdoors and allow them to destress while enjoying America's favorite pastime.

Will your event benefit any other groups?:

The event is meant to benefit the YLS members and the local judiciary.

In which Judicial Circuit will your event occur?:

15th Circuit

In which County will your event occur?:

Palm Beach County

Will your event be held via Zoom (or other online web platform), in-person, or a combination of the two?:

In-person

Proposed date of event (must be within one year from application deadline):

3252021
