**Event
Description:**

The Hispanic Bar Association of Central Florida is planning to host a trivia fundraising night during foster care awareness month - May. We intend on raising money to donate to Embrace Families - an organization that is a recognized national leader in child welfare services. Embrace families begins by helping Central Florida families overcome the root causes of abuse and neglect through programs that offer case management and other prevention services.

Often times, foster care children carry their belongings from home to home in a trash bag. HBACF wants to fund raise money to provide duffle bags to children in the foster care system so that may have a sense of pride and dignity.

The trivia night will include two raffle items to win as well as a gift card to a local restaurant for the first 15 people that register.

We will have a representative come and speak about Embrace Families and provide information to HBACF about some of the most needed supplies and ways to help year round.

We will also offer two raffle items - ticket purchase enters you automatically.

How does your event fit into the parameters of the Grant?:

Our event fits into the parameters of the grant because we are providing funding for either gifts for the children of Embrace Families and/or purchase duffle bags for foster care children to replace the often used trash bag.
