**Event
Description:**

For this event, our affiliate members would like to continue our tradition of putting constitutions in every Indian River County seventh grade civics student's pocket. It is incredibly important that every student learn about the constitution and have a copy of it for easy access. It is critical that the 7th graders receive these books since the constitution is used throughout the school year in preparation for their end of year civics test. The 7th graders are advised to keep the books since they are also used during 8th grade. We plan to deliver approximately 1,600 pocket constitutions to students at all public and private middle schools in the county.

The only cost associated with this event will be the cost of the pocket constitutions. We have around 1,600 students and the cost per book is \$0.30. We will purchase the pocket constitutions from the Florida Bar in the early summer so that they will be shipped by the end of the summer and be available for teachers to pick up for their students before the start of the 2021-2022 school year.

I am attaching our order form from last year, which came out to \$513.60.
