**Description/Agenda
(Please include a
brief
description/agenda
for your event) :**

The Americans with Disabilities Act (ADA) was enacted to ensure that our disabled population (hearing, vision, mobility, leaning, special conditions or illnesses, etc.) has equal opportunities as other Americans to access public accommodations, transportation, and housing. We have stellar attorneys here in Palm Beach County who handle ADA cases, and, being that the PBCJA is a plaintiff's personal injury attorney organization, it seemed like a natural fit to bring these two groups together since our PBCJA attorney routinely utilize ADA requirements to establish standards of care and notice in negligence cases. We envision hosting speakers for our event who practice ADA law (possibly the Sconzo Law Office and Richard Benrubi from Legal Aid, who we have good relationships with) to educate our organization on the ADA and how they obtain justice for their disabled clients, which in turn will benefit the disabled clients our organization represents and allow us to better serve them.
