**Event
Description:**

The HAWL Leadership Academy and all modules, including the January module, will benefit women attorneys wanting to advance their careers by enabling them to gain a competitive edge in this fast-moving field, develop and leverage their talents, and step into roles of greater influence. A small group of YLD members will be selected as part of the inaugural class of the HAWL Leadership Academy. As part of the program, there will be multiple events focused on different topics, like developing self-advocacy skills and discovering ways to plan your career track. Some events will be aimed at providing an avenue for young lawyers to connect with local attorneys, leaders, and the judiciary.

This grant will cover the costs of the January module, which is a lunch and learn event with state and/or federal judge(s) where the participants will learn how they can incorporate their strengths to advocate for themselves and their clients. We plan to hold the event in January 2022 (cannot fill out a date where it requests one below, as it only allows numbers 1-100).
