Event Description	Holidays in January takes place at the Jacksonville Zoo and Gardens, and provides children who were placed in foster care during the holiday season the opportunity experience the joy of the holiday season. The YLS, together with Family Support Services and the Northeast Florida Paralegal Association, puts on this great event which includes several holiday-themed activities such as face painting, cookie decorating and holiday crafts. The kids also receive an assortment of treats and goodies to take home with them. The highlight of the event, of course, is a visit from Santa Claus himself. Although the event takes place in January, Santa proves he is not too tired from his world travels to ring in the New Year and bring good cheer to these deserving children. Each child receives a scooter and bike helmet from Santa before he ventures back to the North Pole! The event is capped off with complimentary tickets to the Jacksonville Zoo for the children and their foster families. Holidays in January is offered at no cost to these families through sponsorship from local law firms, the YLS and the generosity of the Northeast Florida Paralegal Association. The event will take place on either January 8 or 15, 2021. (proposed date field not working on application)
