**Event
Description:**

Each year the YLS hosts the Chili Cook-Off to support a different local charity. All donations generated from the event are donated to the charity while donations are not required they are highly encouraged at the event. The event not only raises money for the charity, the event also brings the legal community together for a friendly competition to see who can collect a top award from an array of categories including: best overall, crowd favorite, meatiest and spiciest. Not only does the legal community of about 50 local law firms and other legal organizations participate get to enjoy the chili cook-off but about 4,000 guests from the general public attend as well. Each law firm or legal organization prompt attendees to donate to the charity and in the past have raised approximately \$15,000 in 2019. The event is a great way for the community as whole to come together to raise money for a charity each year and to enjoy different chilis from various participants from the legal community.
