Description:**

Every year the Young Lawyers Division, Charitable Organization Committee of the Sarasota County Bar Association works with the Taner's Turkey organization to build and deliver hundreds of Thanksgiving Dinners to families in need. Individuals assist in packing the baskets and delivering. As a Bar Association, we receive food donations and monetary donations to purchase food and supplies for the baskets to give to families in need. This year we have more families to feed because of the pandemic, job loss, sickness, and overall difficulty because of COVID-19. Our children need more help than ever before. We hope to be able to give to move families than usual because of the increased need. We are also applying because we usually receive donations from small businesses for the bulk of our raised funds; however, many of our local small businesses are struggling to get by because of the pandemic and how it has disproportionately affected our small businesses, the owners, and operations. Only \$35.00 is needed to sponsor one family. With the Florida Bar's help, we will have the honor and privilege to sponsor 14 additional families--how incredible!

How does your event fit into the parameters of the Grant?:

This grant was created to impact a voluntary bar's community through a service project or to bring holidays to the children. Our event fits both intended purposes and options. Thanksgiving is a holiday during the holiday season where families come together with food and quality time to give thanks and have fellowship. This event will directly impact many families in need that are usually unable to provide food to their families, especially their children. These donations help children have that experience and sustenance. This event is held in November not December which also falls in line with the requirements of the grant. Furthermore, this grant is not a simple pass-through of funds. Our bar members give their time and manual labor to build the baskets and deliver the baskets to the community. Many of the members, like myself who have kids, plan to have my children also assist to learn from a young age how important it is to give to the community and help others. It is also a huge reminder of how grateful we should remain because something as simple as dinner is a blessing and should not be taken for granted. Our organization will be purchasing the food items to provide to the Tanner's Turkeys event.

Will your event benefit any other groups?:

Yes, the event will benefit the underprivileged local families in need. Our assistance and affiliation will benefit Tanner's Turkeys to help as many families as possible.

12th Circuit

In which County will your event occur?:
