**Event(s)
Description:**

We started our Student Mentorship Program this year so LGBTQ+ students can connect and network with other Stetson LGBTQ+ Ally students and faculty, and community. As part of this program, we will be working with Stetson's Career and Professional Development Office to host a round table to discuss LGBTQ+ advocacy opportunities, networking events, scholarships, professionalism, and job posting in the Tampa Area. As part of this program and the round table event, we want to provide students with pronoun pins so they can focus on professionalism, networking, and connecting and not feel uncomfortable if they are misgendered or called the wrong pronouns. The pins will not only be a reward for those who attend our program and roundtable, but will also be an incentive so more students will participate in the professionalism events we will be hosting for LGBTQ+ students to network and connect.
